

Fatal Collisions Involving Impairment

Project Domino Effect

Ridge Meadows Impaired Driving Investigations

The chart below depicts the number of impaired driving investigations (including Immediate Roadside Prohibitions (IRPs) and Criminal Code Investigations) conducted by the Ridge Meadows RCMP. In all of these incidents, the accused was either issued an IRP by police, or officers recommended impaired driving charges to Crown Counsel. These numbers do not reflect the number of charges ultimately laid by Crown

Data is preliminary & subject to change. Only "actual offences" are included (those incidents which upon preliminary investigation could not be determined to have NOT occurred).

THIRD PARTY RULE APPLIES. This document is the property of the Ridge Meadows RCMP and may not be further duplicated, reclassified, used in whole or part or further disseminated, without the approval of the Officer in Charge.
